LA HAIE LONGUE

Born from an exceptional terroir, La Haie Longue 2021 embodies the quintessence of Chenin raised with patience and precision. Made from vines aged 30 to 40 years old, cultivated biodynamically, this dry white wine draws its energy from ancient soils, dominated by carboniferous shale, where the north-east exposure gives remarkable freshness and tension.

Prolonged aging in concrete eggs, sandstone amphorae and tuns shapes a vibrant and chiselled material, revealing a subtle aromatic complexity, between ripe white fruits, delicate smoky notes and saline minerality. On the palate, the balance between density and finesse is expressed with a distinguished length and a crystalline finish, the signature of great local wines.

A wine of character, both precise and airy, intended for enlightened amateurs in search of emotion and purity.
